Item 1.02. Termination of a Material Definitive Agreement.

On September 5, 2008, we entered into a Share Purchase Agreement with American Honda Motor Co., Inc. ("Honda"), John G. Armstrong (as sole trustee of The FuelMaker Trust) and FuelMaker Corporation, pursuant to which we agreed to purchase FuelMaker Corporation for U.S. \$17 million in cash. Under the terms of the purchase agreement, either we or Honda had the right to terminate the purchase agreement, without any obligation or liability thereunder, if the closing did not occur on or before October 3, 2008. See the Form 8-K we filed on September 8, 2008 for more information regarding the material terms of the purchase agreement, which disclosure is incorporated herein by reference.

The closing did not occur by October 3, 2008 primarily due to the fact that the sellers (Honda and Fuelmaker) were unable to deliver audited financial statements by October 3rd for FuelMaker Corporation's parent company, a subsidiary of Honda, which financial statements were required to be prepared in accordance with Canadian generally accepted accounting principles and reconciled to U.S. generally accepted accounting principles. We continued negotiations with Honda after October 3, 2008 to extend the Share Purchase Agreement on revised terms.

On October 13, 2008, Honda delivered to us a notice that it intended to terminate the purchase agreement; and, after subsequent discussions, on October 15, 2008, we and Honda mutually agreed to terminate the purchase agreement in accordance with its terms.
